HOW TO APPLY

To apply, a brief letter or telephone call is suggested describing the organization and the request for which funds are being sought. You may now complete an online inquiry at www.Barkerwelfare.org. If a letter is being sent, a budget, front page of the most current 990 and evidence of tax-exempt status should be included. If the request falls within the current scope of the Foundation's interests, the applicant will be asked to complete an application and supply additional information as required.

The Foundation Board meets twice per year. For the spring meeting, completed proposals must be received before February 1 and for the fall meeting, before August 1.

Because the Foundation receives many more requests than it can fund, applicants may be notified at anytime during the process that funds are not available. Should we decline to support a proposal, we ask applicants to wait at least one year before reapplying. In accordance with The Barker Welfare Foundation's policies, we do not provide feedback of any kind on inquiries that have not been invited to submit a full application.

The Foundation cannot accept more than one proposal within a twelve-month period. Organizations who are approved for a grant will receive the funds approximately six weeks after the Directors meet. Please write to the office listed below:
